

INTRODUCTION TO COMPUTERS

ASSESSMENT 1

1. *How might a user differentiate between various Internet Service Providers (ISPs) to choose the most suitable one for their needs?*
2. *In what ways can the effective management of emails contribute to improved productivity in both personal and professional settings?*
3. *Considering different contexts, provide examples of email scenarios where proper etiquette is crucial for effective communication.*
4. *Explain why it is essential for users to update their antivirus software regularly, and how this practice contributes to overall computer and internet security.*
5. *In a professional setting, analyse the impact of improper email etiquette on workplace communication and relationships.*
